ABOUT THE COLLEGE

Panimalar Institute of Technology started by Jaisakthi Educational Trust focuses on disseminating knowledge coupled with discipline and ethics. It is a self-financing engineering college established in the year 2008 with the disciplines CSE, IT, ECE, EEE & MECH. The college has a world class infrastructure built upon the greatest faculty strength. Spread across 65 acres of lush greenery, the college hosts one of the best infrastructures one can find, thus making the campus life both an educative and enjoyable one for the students. The uniqueness of the college is the serenity of the campus coupled with the latest state-of-the-art infrastructure, well equipped laboratories, workshops, audio visual halls, and an auditorium to groom the students.

ABOUT THE DEPARTMENT

The department of CSE was established in the year 2008 with well-equipped, spacious and state-of-the-art laboratories. The department has dedicated and qualified faculty besides good infrastructure for computing. The department is an active member of the professional bodies like Computer Society of India (CSI), IEEE Computer Society (IEEECS) and ICT Academy of Tamilnadu (ICTACT). Research at the department is nurtured through various sponsored programmes and always been on a high growth path and to keep pace with the current technological trends. The major objective of the department is to assist and contribute in the development of top quality professional engineers and technicians needed by the industries and other organizations.
