

## SAE M BAJA and EBAJA 2019 - 2020

The Team Falcon Racers of M Baja and Ausdauer Motorsports of E Baja participated again in the consecutive year. successfully cleared the Virtual round which was conducted in 2019. MBaja appeared for the Final round in Chitkara University, Punjab in March 2020. Ebaja appeared for the Final round in Pithampur, Madhya Pradesh in Jan 2020. The Vehicle numbers were E31 and 49 respectively. They gave their best and were able to clear all the safety scrutiny and tests that were conducted and were able to participate in the endurance race. Though they were not able to get a podium finish they were able to participate among the various Universities and Colleges nationwide and get very good exposure in All Terrain Vehicle Building Technology

# Tractor Design Competition 2019-2020

Tractor Design Competition (TDC) was conducted by SAE India Southern Section and Our College Team STORMBULLS with the strength of 25 students participated in this Competition and it is conducted in online platform due to covid19 in India.

Through this Competition students across India will participate in providing innovative solution towards product design & development challenge. Tractor Design Competition takes the students beyond textbook theory by enabling them to design, build and test the performance of tractor design and then compete with other students from all over India
